Welcome to Wellpoint!
Wellpoint is a community-based health plan offering NJ FamilyCare benefits and more. We also provide long-term services and supports to those who qualify. This provider directory will help you and your Wellpoint network doctor work together to make sure you get the right care at the right time.

You can search the directory online at **wellpoint.com/nj/medicaid**. You can print out the results of the online search. We'll send you a printed directory if you ask. For more information about the providers listed here, call Wellpoint Member Services at **833-731-2147 (TTY 711)**.

What is a provider?
A provider is any doctor, dentist, pharmacist, optometrist, specialist, hospital, or other medical group or facility that works together with Wellpoint to provide you with the right care, with access for members with disabilities.

Who is your family doctor?
Your family doctor or physician, also called a primary care provider (PCP), provides your general health care. Your PCP will help you manage the health care needs of you and your family. At Wellpoint, all covered medical services or treatments will be arranged by your PCP, except obstetrics and gynecology (OB/GYN), dental, vision, and emergency care.

What is a specialist?
Your PCP can take care of many of your health care needs, but you may also need care from some other kind of doctor. This doctor is called a specialist. Wellpoint works with many different types of specialists. Your PCP can refer you to one if you need special care. Remember, unless you need dental, vision, pregnancy, post-pregnancy or gynecological care, Wellpoint recommends you get a referral from your PCP to see a specialist. We also recommend you get a referral from your PCP to go to a hospital, except in cases of emergency. See your member handbook for more information.

Who is your family dentist?
Just as you see your PCP for all your routine medical care, you will see your family dentist, also called a primary care dentist (PCD), for your dental care. By going to your PCD routinely, they will get to know you and what your specific dental needs are. If you have special dental needs, your PCD can refer you to a dental specialist.

What is emergency care?
Emergency care is needed if your illness or injury is life-threatening or could seriously hurt your health. In an emergency, call 911 or go to the nearest hospital as soon as possible. Some examples of a medical emergency are:

- Very bad bleeding that does not stop
- Severe pain
- Chest pains/facial paralysis
- Very bad burns
- Passing out
- Shakes called convulsions or seizures
- Trouble breathing

- Miscarriage
- Broken bones
- Throwing up blood
- Thinking of hurting yourself or others
- Drug overdose or poisoning
- Rape/sexual assault

What is urgent care?
Urgent care is when you need to see a doctor quickly, but you don't need to go to the emergency room. If you aren't sure you need emergency care, call your PCP or the Wellpoint 24-hour Nurse HelpLine at **833-731-2147 (TTY 711).** They can help you decide. Examples of health issues needing urgent care are:

- Earaches
- Muscle sprains/strains
- Headaches
- Throwing up
- Fever over 101 degrees Fahrenheit
- Sore throat
- Minor burns or cuts
- Controllable bleeding

For urgent care that requires you see a dentist but not go to the emergency room, you can have an acute or chronic dental condition such as:

- Facial swelling due to infection
- A toothache
- A tooth that was knocked out or broken

Call your dentist immediately or call Wellpoint at **833-731-2147 (TTY 711)**. Your dentist can help you get needed treatment.

How do I get transportation to a medical appointment?
Wellpoint covers ground and air transportation for members in **cases of emergency only**. Members receive all other medical transportation services through Fee-for-Service for NJ FamilyCare. To find out more about getting a ride to your doctor visits, call ModivCare at
866-527-9933 (TTY 866-288-3133).

For routine transportation to your doctor appointments, please call ModivCare at
866-527-9933 (TTY 866-288-3133) . Transportation does not require approval. However, you must call the ModivCare number beforehand to have your need reviewed. If you can't get a ride to your appointment, call Member Services at **833-731-2147 (TTY 711).** If you need emergency care and have no way to get to the hospital, call 911 for an ambulance. If you don't need emergency care but need an ambulance, a mobile intensive care unit or an invalid coach to get to a medical appointment, call at **866-527-9933 (TTY 866-288-3133)**.

If you are an Wellpoint member receiving MLTSS benefits, Wellpoint will arrange nonmedical transportation for you. This includes rides to grocery stores, banks, and places of worship.

MLTSS transportation services are based on your plan of care and must be approved ahead of time. When possible, you should ask family, neighbors, friends, public transit or community groups for help. MLTSS transportation services are set up by your MLTSS care manager. Call us at **855-661-1996 (TTY 711)** to find out more.

How do I get care if i have a disability?
All Wellpoint network doctors and hospitals will help members with disabilities get care. Members who use wheelchairs, walkers or other aids may need help getting into an office. If you need a ramp or other help, make sure your doctor's office knows before you get there. This way, the staff will be ready to help you. If you want help talking to your doctor about your disability needs, call your MLTSS care manager at **855-661-1996 (TTY 711)**. A care manager will help you get the care you need.

How do I choose my own doctor or dentist?
Please look at the list of PCPs in this directory. Family doctors include family practitioners, general practitioners, pediatricians (for children), internal medicine doctors and physicians. You may already know a family doctor, or a friend may be able to recommend one. You should choose a PCP who is easy for you to get to. Each person in your family can choose a different PCP. If you have special dental needs, your PCD can refer you to a dental specialist.

¡Bienvenido a Wellpoint!
Wellpoint es un plan de salud de base comunitaria que ofrece beneficios de NJ FamilyCare y más. También proporcionamos servicios y apoyos de largo plazo a personas que califican. Este directorio de proveedores le ayudará a usted y a su doctor de la red de Wellpoint a trabajar en conjunto para asegurarse de que usted reciba el cuidado adecuado en el momento adecuado.

Usted puede buscar en el directorio en línea en **wellpoint.com/nj/medicaid**. Puede imprimir los resultados de la búsqueda en línea. Le enviaremos un directorio impreso si lo pide. ¿Qué es un proveedor?
Un proveedor es cualquier doctor, dentista, farmacéutico, optómetra, especialista, hospital u otro grupo o centro médico que trabaja en conjunto con Wellpoint para proporcionarle el cuidado adecuado, con acceso para miembros con discapacidades.

¿Quién es su doctor de familia?
Su doctor o médico de familia, también llamado proveedor de cuidado primario (PCP), le brinda cuidado de la salud general. Su PCP le ayudará a manejar las necesidades de cuidado de la salud suyas y de su familia. En Wellpoint, todos los servicios o tratamientos médicos cubiertos serán programados por su PCP, con la excepción de cuidado de obstetricia/ginecología, dental, de la vista y de emergencia.

¿Qué es un especialista?
Su PCP puede atender la mayoría de sus necesidades de cuidado de la salud, pero usted también puede necesitar cuidado de otras clases de doctores. Este doctor se llama especialista. Wellpoint trabaja con muchos tipos distintos de especialistas. Su PCP puede referirlo a uno si usted necesita cuidado especial. Recuerde, a menos que necesite cuidado dental, de la vista, para el embarazo, postembarazo o ginecológico, Wellpoint le recomienda que obtenga un referido de su PCP para ver a un especialista. También le recomendamos que obtenga un referido de su PCP para ir a un hospital, excepto en casos de emergencia. Vea su manual del miembro para obtener más información.

¿Quién es su dentista de familia?
Igual que acude a su PCP para todo su cuidado médico de rutina, verá a su dentista de familia, llamado también dentista de cuidado primario (PCD), para su cuidado dental. Al acudir a su PCD de rutina, él o ella se familiarizarán con usted y sabrán cuáles son sus necesidades dentales específicas. Si tiene necesidades dentales especiales, su PCD puede referirlo a un especialista dental.

¿Qué es cuidado de emergencia?
Se necesita cuidado de emergencia si su enfermedad o lesión amenaza su vida o podría perjudicar gravemente su salud. En una emergencia, llame al 911 o vaya al hospital más cercano lo más pronto posible.

Algunos ejemplos de una emergencia médica son:

- Sangrado extremo que no se detiene.
- Dolor severo.
- Dolores en el pecho/parálisis facial.
- Quemaduras extremas.
- Desmayos.

- Sacudidas llamadas convulsiones o ataques.

- Vómito de sangre.
- Pensamientos de lastimarse a sí mismo o a otros.
- Sobredosis de drogas o envenenamiento.
- Violación/asalto sexual.

¿Qué es cuidado urgente?
Cuidado urgente es cuando usted necesita ver a un doctor rápidamente, pero no tiene que ir a la sala de emergencias. Si no está seguro de si necesita cuidado de emergencia, llame a su PCP o a la 24-hour Nurse HelpLine (Línea de ayuda de enfermería de 24 horas) de Wellpoint al **833-731-2147 (TTY 711)**. Ellos pueden ayudarle a decidir. Ejemplos de problemas de salud que necesitan cuidado urgente son:

- Dolores de oído.

- Dolores de cabeza.
- Vómitos.
- Fiebre mayor de 101 grados Fahrenheit.
- Dolor de garganta.
- Quemaduras o cortadas menores.
- Sangrado controlable.

Para cuidado urgente que requiere que usted vea a un dentista pero que no vaya a la sala de emergencias, usted puede tener una afección dental aguda o crónica tal como:

- Hinchazón de la cara debido a infección.
- Un dolor de muelas.
- Un diente que se ha caído o roto.

MLTSS providers
The following providers are available to members enrolled in the MLTSS program. MLTSS services include nursing facility, assisted living, and home- and community-based services. MLTSS members should also use the other sections of the Wellpoint provider directory to find providers for common medical needs that are not under MLTSS benefits. **MLTSS members have access to all Wellpoint network providers.**

All MLTSS services must be coordinated by your MLTSS care manager. If you are an MLTSS member, your MLTSS care manager will manage all your care and services among your providers.

Your care manager will:

- Ensure you get what you need when you need it.
- Help you stay healthy.
- Help you stay out of the emergency room and out of the hospital.

Help you stay out of the emergency room and out of the hospital.

You will have one care manager committed to coordinating all of your care needs.

MLTSS members or members who might need help with bathing, dressing or other activities of daily living can reach out to us. Call our MLTSS Care Management department at **1-855-661-1996 (TTY 1-800-855-2880).**

Proveedores de MLTSS
Los siguientes proveedores están disponibles para miembros inscritos en el programa MLTSS. Los servicios de MLTSS incluyen centro de enfermería, vida asistida y servicios, y apoyos a largo plazo basados en el hogar y la comunidad. Los miembros de MLTSS también deben usar las otras secciones del directorio de proveedores de Wellpoint para encontrar proveedores para necesidades médicas comunes que no estén bajo beneficios de MLTSS. **Los miembros de MLTSS tienen acceso a todos los proveedores de la red de Wellpoint.**

Todos los servicios de MLTSS deben ser coordinados por su encargado de cuidado de MLTSS. Si usted es miembro de MLTSS, su encargado de cuidado de MLTSS manejará todo su cuidado y sus servicios entre sus proveedores.

Su encargado de cuidado:

- Se asegurará de que usted reciba lo que necesita,cuando lo necesita.
- Le ayudará a permanecer sano.
- Le ayudará a permanecer fuera de la sala de emergencias y fuera del hospital.

Usted tendrá un encargado de cuidado comprometido con la coordinación de todas sus necesidades de cuidado.

Los miembros de MLTSS o los miembros que podrían necesitar ayuda como bañarse, vestirse u otras actividades del diario vivir pueden comunicarse con nosotros. Llame a nuestro Departamento de Cuidado de MLTSS al **855-661-1996 (TTY 800-855-2884).**
