D. List of Network Pharmacies

This part of the Directory provides a list of pharmacies in Amerigroup STAR+PLUS MMP's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Harris County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. local time, for additional information.

- Amerigroup STAR+PLUS MMP members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.
- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Amerigroup STAR+PLUS MMP's *Member Handbook* for more information.
- This Directory may not list all network pharmacies.
  - We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about Amerigroup STAR+PLUS MMP network pharmacies in your area, please visit our website at www.myamerigroup.com/TXmmp or call Member Services at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. local time. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Amerigroup STAR+PLUS MMP's *List of Covered Drugs*. The *List of Covered Drugs* is also online at www.myamerigroup.com/TXmmp.

D1. How to identify pharmacies in Amerigroup STAR+PLUS MMP's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies
- Specialty Pharmacy – Pharmacies that supply drugs requiring special handling and instructions in their use.
- You are not required to continue using the same pharmacy to fill your prescriptions.

You are not required to use a mail order pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 93-day supply of your prescription drugs sent directly to your home. A 93-day supply has the same copay as a one-month supply.
- **93-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 93-day supply of covered prescription drugs. **A 93-day supply has the same copay as a one-month supply.**
- You can go to any of the pharmacies in our network.

The Amerigroup STAR+PLUS MMP Network contains 898 Retail and Chain Pharmacies.

E2. Mail-order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called **CarelonRx Mail** (IngenioRx will become CarelonRx on January 1, 2023). CarelonRx must get your permission before sending you any prescriptions you don't ask for yourself.

You also have the choice to sign up for automated mail order delivery through our CarelonRx Mail Home Delivery program.

Typically, you should expect to get your prescription drugs within 14 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-855-878-1784 (TTY: 711) To learn more about mail order pharmacies, refer to Chapter 5 of the Member Handbook.

Long-Term Care (Ltc) Pharmacies Houston

The Amerigroup STAR+PLUS MMP Network contains 14 Long-Term Care (LTC) Pharmacies.

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under Amerigroup STAR+PLUS MMP through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, see Chapter 5 of the Member Handbook.

Long-term care (LTC) pharmacies are also called specialized pharmacies. These pharmacies supply drugs for residents of a long-term care facility, such as a nursing home. Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy. If your long-term care facility's pharmacy is not in our network, or you have any difficulty accessing your drug benefits in a long-term care facility, please contact your service coordinator or contact Member Services at 1-855-878-1784 (TTY 711), Monday through Friday from 8 a.m. to 8 p.m. local time.
