Nonemergency Medical Transportation (NEMT) Services

What are NEMT services?
NEMT services provide **transportation to covered health-care services** for MMP members who have no other means of transportation. Such transportation includes rides to the doctor, dentist, hospital, pharmacy, and other places an individual receives Medicaid services. NEMT services do NOT include ambulance trips or emergency transportation. To make a reservation, call **1-855-878-1784** (TTY: **711**), For Medical Emergencies please call 911.

Dentistry
Castle Hills

Note: Our plan has an exclusive contract with **Liberty Dental** for routine dental care. Your dental benefit includes routine dental care. You will need to go to a provider with the Liberty Dental network.

To find a provider for your **medical dental care**, go to the Specialty Care Providers section of this directory. For medical dental care to be covered, you have to use a dental provider in our plan (in-network doctor). Covered medical dental care is limited to certain conditions. Refer to your Wellpoint STAR+PLUS MMP Member Handbook for medical dental care available and benefit limitation amounts.

Note: Our plan has an exclusive contract with **Superior Vision** for **routine eye care**. Your vision benefit includes routine eye care. You will need to go to a Superior Vision provider listed in this section.

To find providers for your **medical eye care**, go to the Specialty Care Providers section of this directory. For medical eye care to be covered, you have to use an eye doctor in our plan (in-network doctor). Covered medical eye care is limited to certain conditions. Refer to your Wellpoint STAR+PLUS MMP Member Handbook for medical eye care available and benefit limitation amounts.

D. List of Network Pharmacies

This part of the Directory provides a list of pharmacies in Wellpoint STAR+PLUS MMP's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Bexar County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Wellpoint STAR+PLUS MMP at **1-855-878-1784** (TTY: **711**), Monday through Friday from 8 a.m. to 8 p.m. local time, except for holidays, for additional information.

- Wellpoint STAR+PLUS MMP members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.
- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Wellpoint STAR+PLUS MMP's Member Handbook for more information.
- This Directory may not list all network pharmacies.
    - We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about Wellpoint STAR+PLUS MMP network pharmacies in your area, please visit our website at **wellpoint.com/tx/mmp** or call Member Services at **1-855-878-1784** (TTY: **711**), Monday through Friday from 8 a.m. to 8 p.m. local time, except for holidays. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and Wellpoint STAR+PLUS MMP's List of Covered Drugs. The List of Covered Drugs is also online at **wellpoint.com/tx/mmp**.

D1. How to identify pharmacies in Wellpoint STAR+PLUS MMP's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies
- Specialty Pharmacy – Pharmacies that supply drugs requiring special handling and instructions in their use.
- You are not required to continue using the same pharmacy to fill your prescriptions.
- You are not required to use a mail order pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs**. We offer a mail-order program that allows you to get up to a 93-day supply of your prescription drugs sent directly to your home. A 93-day supply has the same copay as a one-month supply.
- **93-Day Retail Pharmacy Programs**. Some retail pharmacies may also offer up to a 93-day supply of covered prescription drugs. **A 93-day supply has the same copay as a one-month supply.**
- You can go to any of the pharmacies in our network.

The Wellpoint STAR+PLUS MMP Network contains 320 Retail and Chain Pharmacies.

The Wellpoint STAR+PLUS MMP Network contains 11 Long-Term Care (LTC) Pharmacies.

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under Wellpoint STAR+PLUS MMP through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, see Chapter 5 of the Member Handbook.

Long-term care (LTC) pharmacies are also called specialized pharmacies. These pharmacies supply drugs for residents of a long-term care facility, such as a nursing home. Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy. If your long-term care facility's pharmacy is not in our network, or you have any difficulty accessing your drug benefits in a long-term care facility, please contact your service coordinator or contact Member Services at **1-855-878-1784** (TTY **711**), Monday through Friday from 8 a.m. to 8 p.m. local time, except for holidays.
