

Plan Benefits – Medicare Extension

Effective July 1, 2024

Summary of Medicare Extension benefits

This summary shows the Medicare Extension plan benefits for many medical and behavioral health services. For a complete and detailed description of benefits and Plan provisions, see your member handbook.

- ❑ **Out-of-pocket cost limits** – The **coinsurance limit** (\$500 for one person) limits the coinsurance you owe for medical services.
All Medicare Extension members also have out-of-pocket maximums that limit costs with contracted (\$1,000) and non-contracted (\$3,000) behavioral health providers.
- ❑ **Allowed amounts** – All benefits shown in this summary are limited to the Medicare-approved amount or Wellpoint’s allowed amount:
 - The Medicare-approved amount is the most that Medicare pays for a covered service.
 - The Wellpoint allowed amount is the most that Wellpoint pays for a covered service when the service is not covered by Medicare.
- ❑ **Preapprovals** – Services marked with a 📞 phone symbol may need preapproval.
