Summary of Community Choice benefits

This summary shows Community Choice plan benefits for many medical and behavioral health services. For a complete and detailed description of benefits and Plan provisions, see the member handbook.

- ❑ **Deductible** – The Community Choice plan deductible is \$400 for one person or \$800 for a family each plan year.
- ❑ **Out-of-pocket cost limits** – The **out-of-pocket maximum** (\$5,000 for one person and \$10,000 for a family) limits your costs for non-hospital services and services at Community Choice hospitals. The separate **non-Community Choice coinsurance limit** (\$5,000 per person) limits the coinsurance you owe for services at non-Community Choice hospitals.
- ❑ **Allowed amounts** – All benefits shown in this summary are limited to Wellpoint’s allowed amounts. The allowed amount is the most that Wellpoint pays for a covered service.
- ❑ **Preapprovals** – Services marked with a 📞 phone symbol need to be preapproved.
