

# Other Health Insurance (OHI) form

for Medicare Extension members

If you or a family member have health coverage from a health plan other than Wellpoint and Medicare, we've made using coverage from additional plans more convenient. Your Wellpoint plan has a coordination of benefits (COB) provision. That means Wellpoint works with your other plan to determine which plan can provide coverage. You may need to fill out this form and send it to Wellpoint to let us know if you are using additional plans.

## You don't need to fill out this form if:

- Your only health coverage is from Wellpoint, **or**
- Your other health coverage is from Medicare, AARP, MassHealth, or TRICARE, **or**
- Your other coverage is for dental, vision, or life insurance, **or**
- You've filled out this form before and your coverage hasn't changed.

## You do need to fill out this form if:

- You have coverage from another health plan (that isn't Wellpoint, Medicare, AARP, MassHealth, or TRICARE), **and**
- You've either never completed an OHI form before or the information you provided needs to be updated.
