

# Carelon Medical Benefits Management Notice Virtual Colonoscopy (CT Colonography)

Effective November 1, 2023

This notice applies to UniCare members in the Total Choice, PLUS, and Community Choice plans.

Virtual Colonoscopy (CT Colonography) pre-service reviews will transition from UniCare to Carelon Medical Benefits Management Radiology Program effective November 1, 2023.

For procedures that are scheduled to begin on or after November 1, 2023, providers must contact Carelon Medical Benefits Management to obtain pre-service reviews for the following codes:

- **CPT 74261** – Computed tomographic (CT) colonography, diagnostic, including image postprocessing; without contrast material.
- **CPT 74262** – Computed tomographic (CT) colonography, diagnostic, including image postprocessing; with contrast material.
- **CPT 74263** – Computed tomographic (CT) colonography, screening, including image postprocessing

Contact Carelon Medical Benefits Management directly through the <https://providerportal.com> web application or call 866-766-0247.
