How to use this form

Dear Member:

Usually, all providers of healthcare will bill us for services to you and your enrolled dependents. This is the preferred procedure. You are not bothered with claim forms and we often need more details than are ordinarily provided on bills to patients.

Sometimes, a physician or an ambulance company may not bill us, for example, they may send the bill directly to you. In either instance, we have no way of knowing about your claim. This *Medical Claim Form* was developed to notify us of any covered health service for which we have not already been billed. Please read the following instructions about how to report healthcare services.

We are happy to serve you.
