

## I finished a healthy activity. How do I get my reward?

First, we have to get a claim from your doctor. That can take up to 90 days. Once your claim is received, we will add the reward to your balance if you have joined the Healthy Rewards program and if you have finished the activity requirements.

You have to report some healthy activities yourself. Those activities will have a *Report* button next to them on your Healthy Rewards account homepage on the Benefit Reward Hub. Select the *Report* button to self-report. You can also call Healthy Rewards toll free to report finished activities.

## How will I know when I have a reward? Will I be notified?

We will send updates by text message and/or email when your rewards are available.

If you can't receive text messages or emails, please check your account 90 days after you finish your healthy activity. If you chose not to receive text messages or emails, you can opt back in on the *Notifications* page on the Benefit Reward Hub.

## How can I use my Healthy Rewards?

Visit Benefit Reward Hub to choose a gift card from a variety of popular retailers like Kohl's, Old Navy, and Chipotle.

You cannot use your rewards or gift card dollars to buy alcohol, tobacco products or firearms.

If you are no longer a Wellpoint member and you still have a rewards balance, you may redeem your funds for 90 days after you disenroll. Just call Healthy Rewards toll free.
