News about your prescription for LEADER™ Brand Eye Drops

We have some important news about LEADER™ Brand eye drops. These products are used for temporary relief of burning, irritation, redness, and/or dryness in the eyes. Our records show you may have gotten one or more of these products not long ago. You may need to take some action.

On October 31, 2023, Cardinal Health, Inc. issued a recall of certain LEADER™ Brand eye drops. This recall was issued because of unsanitary conditions and positive bacterial test results from production areas in the facility. Use of the recalled products could result in possible eye infection and partial vision loss.

Noticias sobre su receta para gotas para los ojos marca LEADER™

Tenemos noticias importantes sobre las gotas para los ojos marca LEADER™. Estos productos se usan para aliviar temporalmente el ardor, la irritación, el enrojecimiento y la sequedad en los ojos. Nuestros expedientes muestran que es posible que usted haya recibido uno o más de estos productos recientemente. Puede que deba tomar algunas medidas.

El 31 de octubre de 2023, Cardinal Health Inc. publicó una retirada de ciertas gotas para los ojos marca LEADER™. Esta retirada se anunció por las condiciones antihigiénicas y por resultados positivos en pruebas de bacterias en áreas de producción en la planta. Usar los productos retirados podría causar una posible infección en los ojos y pérdida parcial de la visión.
