# Manage your plan online

Once your account is created, you can go online to:

- View and share your digital ID card.
- Find or change your PCP (main provider).
- Find a provider, hospital, or pharmacy close by.
- Access case management that helps coordinate healthcare services. You can refer yourself, or a provider can refer you.
- Manage your prescriptions.
- View your member rights and responsibilities and our privacy notice.

You can also check the **Benefits page to view your member handbook and important information like:**

- Any kind of care that might not be covered under Apple Health (Medicaid).
- How to submit a claim, how to get approval for care before you receive it, and costs you might have to pay.
- Pharmacy drug lists, updates, and how to ask for an exception if your prescription is not on our covered drug list.
- Chat with us live or send us secure messages.
