The Managed Long-Term Care program at Wellpoint of NY gives you access to the care and help you need to live at home or in your community. Our managed long-term care program helps people who live in Erie and Niagara. We have a full network of providers and strong ties with community and healthcare groups.

Managed Long-Term Care at Wellpoint is a managed long-term care plan for Medicaid-eligible people who:

- Have chronic and disabling conditions.
- Are at least 18 years old.
- Require long-term care.

Wellpoint is the first place you call for help with your healthcare. We help you get the most out of the care you need. Some people can live at home near friends and family. As a member, you will receive care through many long-term services in your home, community, or nursing home. We also help you get other services not covered by Wellpoint.

This directory lists providers you can choose from to get the care and services you need.

Please use this list to see if a provider is a part of our network. If you do not see a provider's name in here, please call Member Services at **877-388-5193** (TTY **711**) and ask if they are in the network.

How to get covered services

To get help, call Member Services at **877-388-5193** (TTY **711**). We will help you with your needs or transfer you to your care manager. For more information about benefits and services, visit us online at **wellpoint.com/nymltc**

As an extra benefit for our members, Wellpoint has a **24/7 NurseLine** you can call if you have questions about your health. You can call 24 hours a day, 7 days a week at **877-388-5193** (TTY **711**)

Before you can get some services, you may need a doctor's order and/or approval from Wellpoint. You may access some services directly. Approval is required for some services listed on the following chart. This means that your doctor and/or Wellpoint must decide that the care you ask for is medically necessary for your condition, illness, or ailment. The chart can help you know when you need approval to get services and if you will need it from your doctor, Wellpoint, or both.

Some participating providers may have been added or removed from the list after this directory was printed. To get the most up-to-date information about participating providers in your area, please call Member Services at **877-388-5193** (TTY **711**) or visit our website at **wellpoint.com/nymltc**.
