

## Hot Tip: Asthma

Wellpoint District of Columbia, Inc. | Medicaid

Your Wellpoint DC enrollees may experience a pharmacy claim rejection when prescribed nonpreferred products. To avoid additional steps or delays at the pharmacy, consider prescribing preferred products whenever possible. Utilization management edits may apply to select preferred products. Coverage should be verified by reviewing the *Preferred Drug List (PDL)* on the Wellpoint DC provider website. The *PDL* is subject to change quarterly.
