

Clinical Utilization Management Guidelines

Wellpoint District of Columbia, Inc. | Medicaid

Attached is a list of the *Clinical Utilization Management (UM) Guidelines* the health plan has adopted.

The full list of Medical Policies and Clinical UM Guidelines are publicly available on the [Medical Policy and Clinical UM Guideline subsidiary website](#). Their purpose is to help you provide quality care by reducing inappropriate use of medical resources.

MCG Care Guidelines are used for:

- Medical necessity review for medical and behavioral health inpatient review.
- Inpatient site of service appropriateness.
- Inpatient rehabilitation and skilled nursing facility review.
- Outpatient based service or procedure where there is not an established *Medical Policy* or *Clinical UM Guideline*.

Medicaid state contracts, regulatory guidance, CMS requirements and our *Medical Policy/Clinical UM Guidelines* supersede MCG Care Guidelines.

Note: We make determinations of medical necessity on a case-by-case basis in accordance with the definition of medical necessity that is contained within the Medicaid state contract, regulatory guidance, CMS requirements or in our *Medical Necessity Criteria Policy ADMIN.0004*.

If the request doesn't meet established criteria guidelines, it will be referred to a licensed physician reviewer with the appropriate clinical expertise to make a decision.
