

Free sports physicals for your patients

A new value-added benefit

Wellpoint has a new value-added benefit for our members! We will now pay in-network PCPs to perform sports physicals. One sports physical per year will be reimbursed for members between the ages of 3 and 18.

We are not only excited about this opportunity for our members but also the opportunity it creates for our valued providers as well.

Please pass this information on to your staff.

When does the benefit go into effect?

This benefit became effective July 1, 2018.

How do I bill for the physical?

You should use CPT® code 99212 with DX code Z02.5. You can also bill for both a well visit and a sports physical by including the modifier 25.
